STRENGTH YOU CAN TRUST

ABOUT US

Founded in 2002, **Fine Equipments** has established it self as a leading provider of demolition and construction equipment in India, specializing in hydraulic rock breakers. We offer a diverse product range, including Rock Breakers, Motor Graders, Mini Excavators, and various excavator attachments such as Quick Coupler, Rock Drills, Grapple Series, and Clamshell Buckets, drum roller etc. Additionally, we offer Truck Mounted Cranes, Crawler Cranes, Multi-utility Machines, Walk-Behind Rollers, Mini Dumpers & Mixers, Skid Steer Loaders, Industrial Motors, Vibrators, light Towers, and a comprehensive array of Light Construction Equipment., all designed with advanced technology for high power and low maintenance.

With one of the largest installations of rock breakers in India and a growing global presence, our products are renowned for their reliability and profitability. Our robust pan-India dealer network ensures expert support and the availability of genuine spares, even in remote areas.

Having sold over **12,000 +** rock breakers, we are committed to meeting international standards and continually expanding our product offerings. Choose Fine Equipments for innovative solutions that redefine the standards of construction and demolition equipment. Join us on our journey toward global excellence!

* Some features are optional.

- Auto Greasing
- Underwater Application
- Low Noise Version
