

- 1 **Cement Screw Feeders ES**
High-performance design; highly reliable
- 2 **Microsilica Screw Feeders TU**
Highly accurate feed rates
- 3 **Vertical Screw Lift System**
High material throughput
- 4 **Bucket Elevators EH**
Maximum work safety
- 5 **6 7 Belt Conveyors NTS**
Robust design with high-quality belts
- 8 **SILOTOP® Silo Venting Filters**
Unique maintenance-friendliness

- 9 **WAMFLO® Front Dust Collectors**
Efficient, eco-friendly mixer de-dusting
- 10 **DRYBATCH® R01 Dust Collectors**
Reduced energy consumption
- 11 **HOPPERTOP™ / HOPPERJET™ Weigh Hopper Venting Filters**
Small footprint; air jet-cleaned
- 12 **Butterfly Valves V2FF / V.FS**
Dust-tight design
- 13 **VL Slide Valves**
Durable
- 14 **Bulk Bag Discharging Stations SBB**
For microsilica bags

- 15 **POWPUMP™ Powder Screw Pumps**
Material transfer into pneumatic conveying line
- 16 **Rotary Level Indicators ILT**
Maximum and minimum level monitoring
- 17 **Continuous Level Measurement ILS**
Maximum and minimum level monitoring
- 18 **Mechanical Differential Pressure Gauges IPM / Electronic Differential Pressure Meters IPE**
Excess pressure signalling / Continuous pressure reading
- 19 **Silo Safety System KCS**
One control panel for up to 16 silos
- 20 **Power Panel SP**
Part of KCS-System; one panel per silo
- 21 **Siren LS1**
Malfunctioning alarm

- 22 **Spring-loaded Pressure Relief Valves VCP / VHS**
Maximum work safety
- 23 **EXTRABEND® Pipe Elbows**
Abrasion-resistant lightweight design
- 24 **EXTRACURVE® Wide Radius Anti-Wear Pipe Elbows**
Elastic and abrasion-resistant
- 25 **Pinch Valves VM / Pipe Connections KAT**
Instant filling pipe closure / Safe tanker connection
- 29 **Concrete Reclaimer Feeder**
Up to 4 truck mixers simultaneously
- 30 **Concrete Reclaimer**
Energy saving and eco-friendly

FINE EQUIPMENTS INDIA PVT LTD

Raising benchmarks of aftersales support

WAMGROUP®

AUTHORIZED DISTRIBUTOR

We are happy to inform you that now Fine Equipments is associated with The Italian WAM GROUP & OLI GROUP for selling products, servicing and spare parts sales in India. Fine Group is working hard to provide best solution for your entire requirements with quality service and best product.

WAMGROUP, WAM is the global market leader in Screw Conveyors and amongst the most prominent players in the field of Bulk Solids Handling & Processing Equipment. The company founded in Modena, Italy, in 1968, employs some 2,100 people at more than 60 locations in 40 countries.

The Company's comprehensive product range includes equipment for Bulk Solids Handling & Processing, Dust Filtration, Waste Water Treatment and Renewable Energy Generation.

Strongly focused on the requirements of the market, WAMGROUP aims to produce market-oriented solutions turning them into a particularly user-friendly standard, tailored for a variety of industries. Industrial quality and an excellent price-performance ratio make WAMGROUP equipment the ideal choice for project engineers and provide customers all over the world with the best deal available on the market

Fine Equipments is well known name in the field of selling demolition, construction & Road Equipments. Fine is one of the India's largest selling hydraulic rock breakers and has also established itself in other demolition and construction Equipments. It has carved a niche for itself as the highest value for money in the rock breaker market. We offer rock breakers and other Equipments as per the choice and need of the hirers as well as contractors. It is a perfect blend of high power and low maintenance cost, high output and reliability, high profitability and optimum investment.

Our products are designed and manufactured using advanced technologies. Fine has one of the largest installation base of rock-breakers in India as also growing world-wide. The advanced features and the modern technologies used in our products give a unique identity to us. This is the reason why Fine products are always the first choice of the customers. We are also into other Equipments like Rock Breaker, Motor Grader, Quick coupler, Grapple Series, water treatment plant, Takeuchi Mini Excavator, Light Tower, Mobile crusher and Light construction Equipments.

The demolition Equipments are supported through a closely knit pan-India dealer network. Every dealer carries an army of qualified sales and trained service professionals and is well stocked with FINE Genuine Spares. This enables us to support our products in the most remote of locations with ease and cheer.

We are working toward becoming a global player, which necessitates many requirements like - world class product quality, highly competitive price and a product specification that is acceptable in most parts of the world. Company is using their potential consistently and inching closer to their objective. We successfully crossed the mark of over 4500 units of rock breakers in India. The company aims to increase its market potential by adding new products into the business and adding values to the existing products
